07/16/2019	49	MEMORANDUM & ORDER, For the reasons stated above. Defendant's motion for summary judgment is GRANTED IN PART and DENIED IN PART, and Plaintiff's cross-motion for summary judgment is GRANTED IN PART and DENIED IN PART. Defendant is directed to take the following actions consistent with this order; (1) search the documents of all members of the Board of Governors from the relevant period; (2) expand the search terms used to search emails and other records to include obvious alternative search terms, including keywords and the names or e-mail addresses of all relevant individuals, or provide sufficient explanations as to why particular proposed searches would constitute an unreasonable burden; (3) search records at the Reserve Banks that constitute "Records of the Board" within the meaning of 12 C.F.R. § 261.2(i)(I), including those records concerning presidential appointments and assessments that might be responsive to Part II of the FOIA Request, records relating to the Board's oversight of appointments of Reserve Bank directors that might be responsive to Parts IV and V of the FOIA Request, and records of annual assessments of Reserve Bank presidents; and (4) search for the Annotated Bank Evaluation summaries and documents referencing them in connection with presidential appointments. Defendant must then produce all responsive documents not covered by a FOIA exemption. With respect to Plaintiff's contention that Defendant failed to pursue a "clear and certain lead" to responsive documents provided by the Board of Governors' Frequently Asked Questions web page and a summary of the Board's February 19, 2016 meeting ("see supra Part 111(A)(3)(b)), the court finds Defendant's search to have been adequate. Defendant's motion for summary judgment is also granted with respect to its withholding of information under exemptions 5 and 6 of FOIA. So Ordered by Judge Nicholas G. Garaufis on 7/15/2019.
